

CUBBY'S CLUBHOUSE

Out and About

The safety of your child is paramount and I have therefore put together the following procedures regarding leaving the house.

I do not transport minded children in my car. I do not have the insurance or the car seats to do so. This means that all our out and about is done on foot or very occasionally via public transport (with your permission)

I will always carry a mobile telephone with me in case of an emergency and I also carry a first aid kit with me.

I will teach your child about the dangers of cars and roads, in an age appropriate way.
